To Whom It May Concern,

I am writing to express my deepest thanks to Caledon Karate and their exceptional instructor, Vince Mazzei. St. Patrick school had the pleasure of collaborating with Caledon Karate to bring their program to our students and the experience was well received by staff and students.

Vince was professional and flexible in his approach. He was easy to work with throughout the planning process and with the coordination of the programming. His instruction was well suited for every age group from k to 8. Vince assisted with the entire process to make it equitable and stress free.

During the sessions it was evident that Vince had an extraordinary grasp of the teaching of the fundamentals for Karate. His expertise in Karate was matched by his ability to engage and inspire students of all ages and skill levels. Vince employed a teaching style that was enjoyable, effective, and he created a positive and inclusive learning environment for all involved. The students had an exceptional time while learning the basic skills of Karate.

Vince is dedicated to his craft and demonstrated a genuine care for the students involved. He tailored his lessons to meet the needs of each student, ensuring that everyone felt valued and supported, all well instilling important values such as discipline, respect, and perseverance as he taught.

It is without hesitation that I recommend Caledon Karate and Vince Mazzei for any school looking to bring an exceptional program to their students.

Sincerely,

P. Sestito
