To Whom It May Concern,

As the current Co-Chair of Catholic School Council at St. John the Baptist, I am writing to highly recommend Caledon Karate and their exceptional instructor, Vince Mazzei. Our school recently had the pleasure of collaborating with Caledon Karate to bring their program to our students and the experience was excellent.

Vince was professional and a pleasure to work with throughout the planning process and in coordinating the programming to ensure the learnings for each division were well suited to the age of the students. He helped make the entire process smooth and stress-free. Vince's commitment to providing a fun, high-quality experience for the students was evident in every interaction.

During the sessions with the students, Vince proved to be an extraordinary teacher. His expertise in karate was matched by his ability to engage and inspire students of all ages and skill levels. Vince's teaching style is both approachable and effective, and creates a positive and inclusive learning environment for all involved. The students had fun while learning respect and improving their skills and confidence.

I cannot say enough about Vince's dedication and his genuine care for the students' development. He tailored his lessons to meet the needs of each student, ensuring that everyone felt valued and supported, all well instilling important values such as discipline, respect, and perseverance as he taught.

I wholeheartedly recommend Caledon Karate and Vince Mazzei for any school looking to bring an exciting program to their students.

Sincerely,
Andrée Gates
